# Doctoral Candidates Research Grants (DCR) 2016

Camerino **April 27, 2016** from 10 am  
SAS Conference Room

Doctoral Candidates Research Grants (DCR) are designed to support excellent doctoral candidates at the career stage at which they are starting their own independent research team or programme. Applicants must demonstrate the promising nature, ambition and feasibility of their scientific proposal.

DCR Grants may be awarded up to a maximum of three proposals for a total amount of EUR 50.000 for a period of 24 months.

**Info day with details and advice on how to apply**
