Research topic

Specify up to three research topics of interest, suggesting priority

The topics for each area are listed on the website http://www.unicam.it/laureati/dottorato/phd_courses.asp

Add

Project Description

Provide an outline of the research project that you would like to pursue for your Ph.D. (about 3 pages)

Please, describe the following aspects:

I. State of the art;

II. Proposed research;

III. Expected outcomes.

Please provide the names of three professors or research collaborators who will act as referees on your behalf.
We will then email this three people and ask them to provide a reference for you via an online form

Name

Institution

Position held

Postal address

phone

e-mail

Add

Research topics

- “ Please specify up to two Research topics of interest for your Doctoral course, suggesting priority
- “ The topics for each area of doctoral studies are listed on the website isas.unicam.it, under the menu Call for Doctoral positions.
- “ With the exception of research proposals for externally funded scholarships, the research topics are not binding as regards the definitive choice of the research project for the doctoral degree.

Project description

- “ Pay particular attention to the section of the application form requiring the submission of an hypothetical research programme, since it will be considered for the evaluation of the candidates research aptitude.
- “ Provide a title of the research, and include the state of the art of the topic, the objective to be reached in the project, the expected outcomes, the methodology you would like to follow, some references.

Evaluation criteria / 1

- “ In the first phase of the evaluation, the research proposal will be checked for plagiarism using a special software package; any infractions will result in the application being excluded from further evaluation.

Evaluation criteria / 2

” Based on the documentation produced by the candidate, especially as regards the research proposal, the Admissions Committee will apply the criteria set forth in the European Framework for Research Careers.

How the project will be evaluated

Application form: presenter

- “ Candidates must provide at least three references (professors/ researchers) who will act as referees on your behalf.
- “ The admission office will contact them by e-mail and request to provide a letter of recommendation using the form available on the university website.
- “ Candidates must ensure that at least one letter of reference is submitted within the deadline
- “ Failure to do so will result in the application non being considered for admission to the program.

Presenter form

- “ The presenter has to click on the link provided in the mail, and download the presenter form (by clicking on **presenter form**).
- “ The presenter form has to be filled out and saved on the presenter's PC, within a support letter
- “ It is mandatory to write also a support letter at the foot of the form

Download the presenter form

Load the presenter form / 2

- “ Then, the presenter has to search the file on the PC (by using the button sfoglia) and to load it
- “ The presenter form will be automatically annexed to the application form of the candidate

Load the presenter form / 2

The screenshot shows a web browser window titled "Unicam - Call for application - Presenter - Microsoft Internet Explorer fornito da Studing at Unicam". The address bar shows a URL starting with "http://www.unicam.it". The page has a red header with the Unicam logo and the text "Call For Application Presenter". Below the header, there are two tables: "Applicant" and "Presenter form".

Applicant Table:

	Surname	First name
Select	Mancinelli	Paolo

Presenter form Table:

Presenter form	
Delete	annex_pres_form_2010.doc
Delete	Prova procedura.txt

Below the tables, there is a text prompt: "Please download, compile and load the **Presenter form**, using the buttons below compiled file". Below this text are two buttons: "Sfoglia..." and "Load".

Three numbered instructions with arrows indicate the steps:

1. Click on sfoglia to look for the file on the PC (Arrow pointing to the "Sfoglia..." button)
2. Click on load to Load the presenter form (Arrow pointing to the "Load" button)
3. The presenter form will be annexed to the Application form of the candidate (Arrow pointing to the "Presenter form" table)

The Windows taskbar at the bottom shows the Start button and several open applications: "Unicam WebMail - Cri...", "Unicam - Call for appli...", "CALL FOR APPLICATI...", "Microsoft PowerPoint ...", and "Microsoft Excel - Pres...". The system clock shows "11.36".

Presenter form

” PLEASE NOTE: If you would like to act as presenter for more than one candidate, please select the button **SELECT** near the name of the applicant, before loading the presenter form

Presenter form

- “ Should you have any query, please refer to paolo.mancinelli@unicam.it for technical problems or contact postlaurea@unicam.it
- “ Do not send any reply to the email message you received

Second phase of the evaluation

- “ The eligible candidates, included in the *short list*, will be invited for an interview in order to complete the final rankings for each area. The interviews will be online and conducted in English by a Committee appointed by the Doctoral Advisory Committee for each doctoral program.

Evaluation criteria / 1

- “ Carry out research under supervision
- “ Have the ambition to develop knowledge of research methodologies and discipline
- “ Have demonstrated a good understanding of a field of study

Evaluation criteria / 2

- “ Have demonstrated the ability to produce data under supervision
- “ Be capable of critical analysis, evaluation and synthesis of new and complex ideas
- “ Be able to explain the outcome of research and value thereof to research colleagues

3.						
Assessment of the interview						
	Very Low (1 point)	Low (2 points)	Sufficient (2,5 points)	Good (3 points)	Very good (3,5 points)	Excellent (4 points)
Carry out research and produce data under supervision						
Have the ambition to develop knowledge of research methodologies and discipline
