

Life and Health Sciences

Docente	SSD	Titolo attività formativa	CFU	CFU modulo	Tipologia (a scelta libera)	Idoneità	Ore didattica	Anno	Semestre
Attività didattiche VERTICALI									
De Felice Elena	VET/01	Biologia e gestione degli animali utilizzati a fini scientifici	2		d	Idoneità	14	1	II
Angeletti Mauro	BIO/10	Statistics	3		d	Idoneità	21	1	II
Cecarini Valentina	BIO/10	Biochemistry of ageing	2		d	Idoneità	14	1	II
Miceli Cristina	BIO/06	Genomics and proteomics (CdL in Biological Sciences)	12	6	d	Idoneità	84	1	I
Angeletti Mauro	BIO/10			3					
Mozzicafreddo Matteo	BIO/10			3					
Pucciarelli Stefania	BIO/10	High performance bio-analytical methods (CdL in Biological Sciences)	6		d	Idoneità	42	1	I
Sabbieti Maria Giovanna	BIO/06	Stem cell technologies and animal models (CdL in Biological Sciences)	12		d	Idoneità	84	1	I-II
Vitali Luca Agostino	MED/07	Microbial Pathogenesis and Biofilms (CdL in Biological Sciences)	6		d	Idoneità	42	1	II
Pucciarelli Sandra	BIO/07	Molecular Ecology (CdL in Biological Sciences)	6		d	Idoneità	42	1	I
Favia Guido	VET/03	Molecular Parasitology (CdL in Biological Sciences)	6		d	Idoneità	42	1	I
Bordoni Laura	BIO/10	Epigenetics (CdL in Biological Sciences)	6		d	Idoneità	42	1	II
Silvi Stefania	BIO/19	Functional Food (CdL in Biological Sciences)	6		d	Idoneità	42	1	I

2020 LIFE AND HEALTH SCIENCES EDUCATION ACTIVITIES

Activity	Professor Unicam	External expert	Time	Period of the year
Come compilare una richiesta di autorizzazione per progetti con animali (in italian)	Laus F.		2 h	6 February
Adult and Child Obesity Ultraprocessed Food	Vittadini E.	K. Isoldi	2 x 3 h	23-25 March
Plant modularity	Canullo R.	G. Ottaviani	2 x 3 h	April
Perspectives on Galileo's scientific method: a short training, based on inductive and deductive reasoning, focused on the target of doctoral research	Spurio R./Miceli C.		4 h	May
Experimental design	Angeletti M./Favia G.		4 h	End of May
How to present research results	Favia G./Fabbretti A.		2 h	June
Life Cycle Assessment in the primary sector	Roncarati A.	M. Canavari, M. Medici	4 h	June

Below two other events are planned for which doctoral candidates will get CFU recognized:

4th European Summer School on Nutrigenomics, June 22 - 26 2020, Jesi (AN). A registration fee is requested (550 euro) and a final evaluation test will be performed. Scholarships of 250 euro are available.

13th international Clonal meeting, August 26 -29 2020, University of Camerino. No registration fee is requested, a final evaluation test will be performed.
