Good Reasons To Choose UNICAM

A University in the green heart of Italy!

A view from above:

<https://www.youtube.com/watch?v=67uW7Wy52A8>

Choosing the [University of Camerino](#) for study and research means you are choosing a first class institution of higher education structured on a human scale in a safe, friendly place with a truly international atmosphere.

Campuses

Camerino is the University's main Campus, but there are branch Campuses in Ascoli Piceno, Matelica, San Benedetto del Tronto.

The PhD course in Architecture, Design, Planning is based in Ascoli Piceno

In Matelica is carried out research in Veterinary Medicine

The School of Advanced Studies - International Doctoral School

School of Advanced Studies

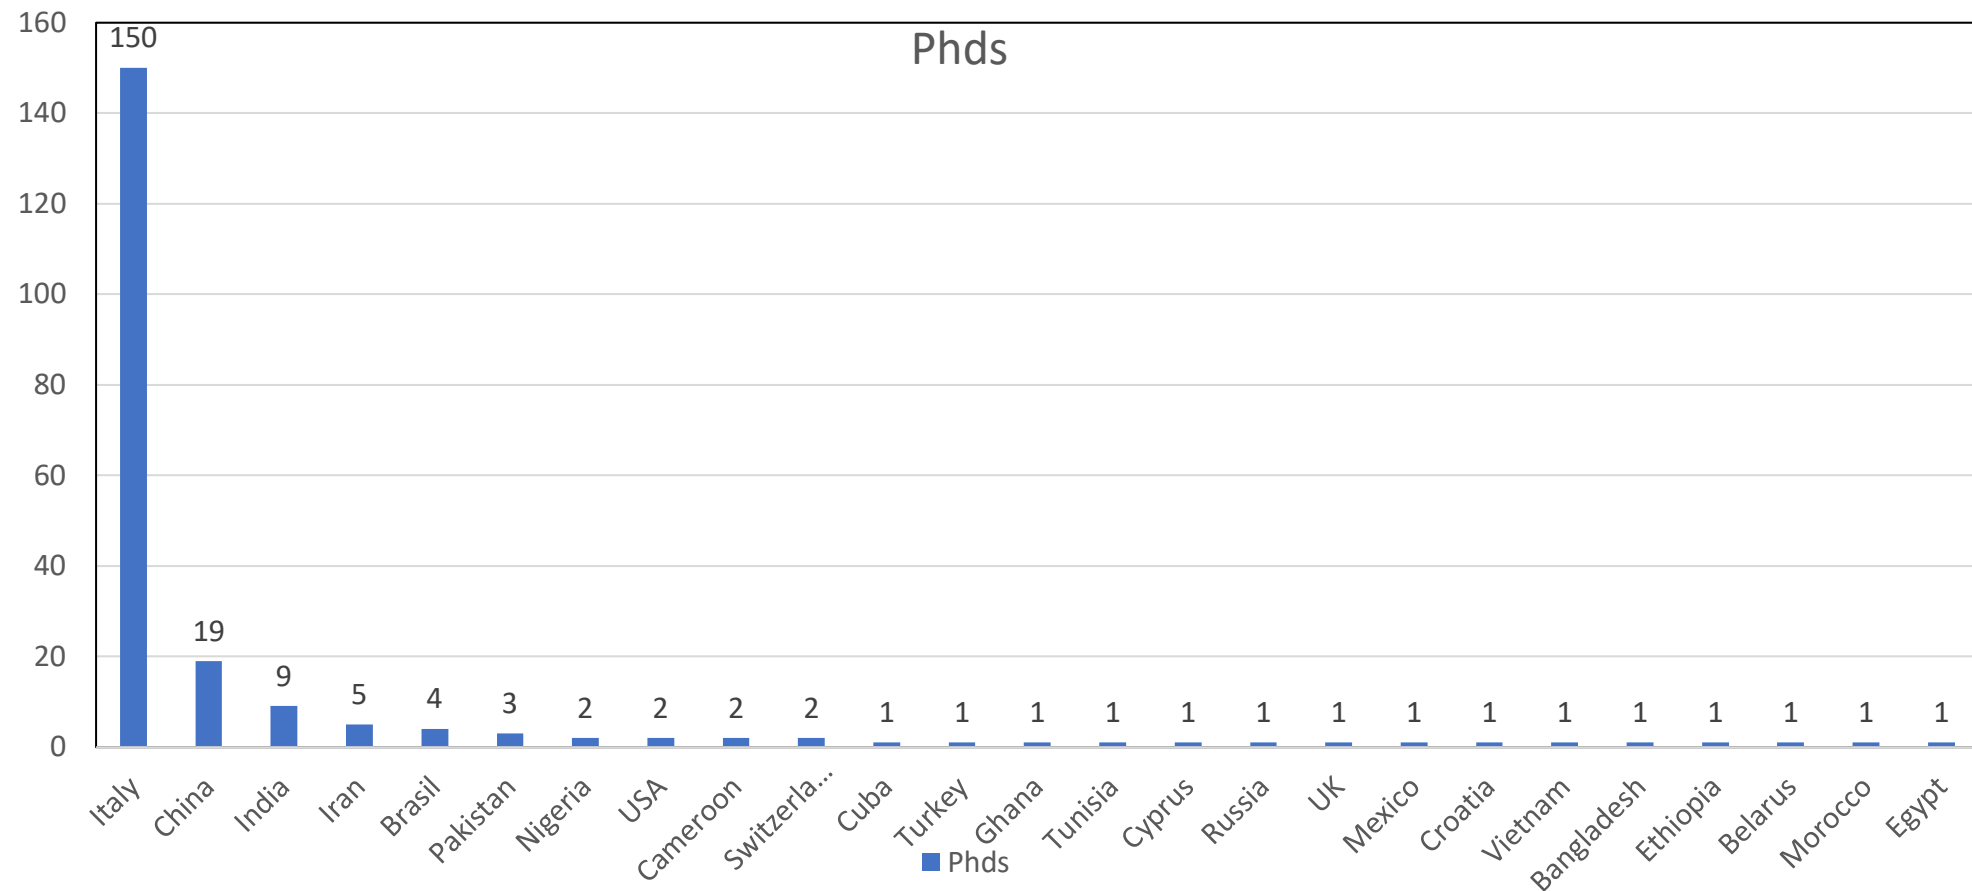

6 Doctoral courses

214 PhDs currently enrolled

30% of them are International
Phds

Coming from 24 different
countries

Nationality of Doctoral candidates

How to apply for a PhD at

The Call is now open. Deadline for applications: July 2, 2021

For all information please visit <https://isas.unicam.it/2021-call-phd-applications>

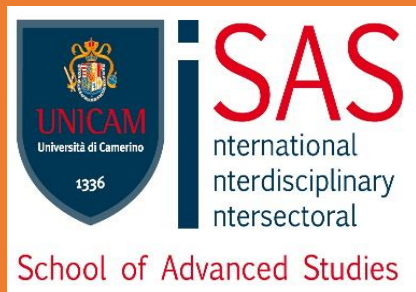

Application form: <https://vele.unicam.it/CallforApplication/>

Some practical information

- **PhD: Student or Researcher? BOTH!**
- As a researcher, you have a scholarship, you pay social security contributions, you can ask for maternity/paternity leaves
- As a student, you are entitled in receiving accommodation in the student residences, meals in the University canteens, and take advantage of some facilities

In case of admission ...

- Doctoral degree programs will begin on or before the date of 30 November 2021 and will conclude with the submission of an original doctoral dissertation, preferably in English language. The course length is 3 years
- In addition to the activities directly related to the preparation of the dissertation, all PhD students are required to participate in teaching activities carried out in English, organized by the SAS, and in the courses held as part of the curricular pathway.
- Student mobility experiences outside the University, in Italy and abroad, shall also be provided

How the PhD course is structured

The Doctoral program consists of 180 ECTS credits for research work and training activities, in order to contribute to a better recognition of your title at a European and global level

First and Second Year:

- 40 ECTS in research activity (with a yearly evaluation)
- 10 ECTS in mandatory SAS Activities to acquire transferable skills (two weeks /year)
- 10 ECTS in curricular related activities: 7 ECTS for participation in thematic option courses ; 3 ECTS for participation in seminars and events

School of Advanced Studies

How the PhD
course is
structured /
2

Third year:

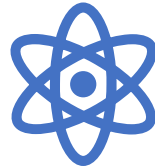

- 50 ECTS in research activity
(writing and defend the Doctoral
dissertation)
- 10 ECTS in mandatory SAS
Activities to acquire transferable
skills (two weeks / year)

Examples of courses to acquire transferable skills

Statistics and computational analysis for experimental research

Patent licensing, intellectual property, open data, scientific writing, scientific communication

Research management and project funding, business plan, fund raising, Phd careers outside the Academia

Research ethics and integrity

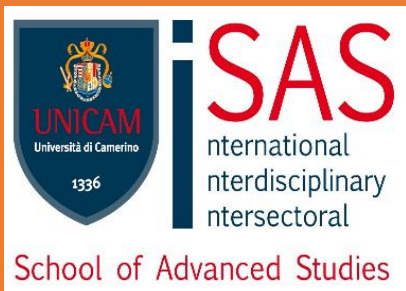

Some useful information about PhD

Scholarship: the netto
monthly amount of the
scholarship is
1132,72€.

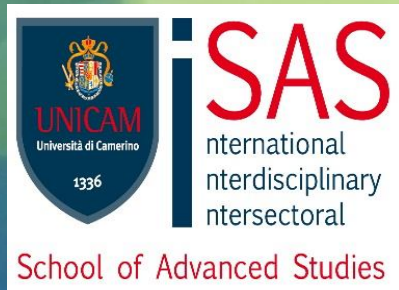

Fees: there are no
tuition fees. Every year,
PhDs are requested to
pay € 156 (regional fee)
upon enrollment

For International Phds

- Candidates who have obtained the academic qualification abroad, for enrolment purposes, must submit the Declaration of Equivalence, issued by the Italian Embassy of the country in which the qualification was issued, or the Statement of Comparability and Verification of the Qualification, issued by CIMEA (Italian Information Centre on Academic Mobility and Equivalence).

Visa, Permit to stay in Italy

Non-EU PhD candidates must comply with the rules relating to entry visas and make a request for the issue and annual renewal of the residence permit. The cost of the permit, of about € 120.00 (one hundred and twenty euros/00 cents) must be paid by the applicant.

Health insurance

The University offers a health insurance coverage for ER and hospitalization to all first year students

However, registration in the Italian National Healthcare Service is mandatory from the second year of the PhD course

Mobility

- PhD candidates have to spend at least three / six months as **visiting scholar** in a foreign University or research institution, depending on their research interests.
- PhD candidates with a scholarship, going abroad, have the right to grant a 50% increase of the monthly scholarship.
- Every PhD candidate has a small amount of money (i.e. 3,068.66 €) to support short term mobility, research and training activities

Accommodation

CAMERINO IS A UNIVERSITY CAMPUS SURROUNDED BY NATURE. IT OFFERS STUDENTS THE TRANQUILLITY THEY NEED FOR THEIR STUDIES. STUDENT RESIDENCES FOR OVER 900 PLACES, TWO CANTEENS AND A STUDENT CAFETERIAS ARE MANAGED BY ERDIS (REGIONAL AGENCY FOR THE RIGHT TO HIGHER EDUCATION)

ALL ROOMS ARE FURNISHED AND PROVIDED WITH WIFI INTERNET CONNECTION, A TELEPHONE TO RECEIVE DIRECT PRIVATE CALLS (WITHOUT A SWITCHBOARD OPERATOR), BED LINEN AND LAUNDRY FACILITIES. HEATING, ELECTRICITY AND WATER ARE INCLUDED IN THE SERVICE. (THE COST OF THE ROOM IS MORE OR LESS € 200 /MONTH)

THE **AVERAGE COST** FOR A COMPLETE **MEAL** (1ST COURSE, 2ND COURSE, SIDE DISH AND DESSERT) AT THE UNIVERSITY CANTEENS IS ABOUT **5€**.

FOR FURTHER INFORMATION ABOUT ACCOMMODATION IN THE UNIVERSITY RESIDENCES
[HTTP://WWW.UNICAM.IT/FUTURO-STUDENTE/ALLOGGI](http://www.unicam.it/futuro-studente/alloggi)

Facilities & Services
